

Process for Training Events Effective 01 June 2020

By booking into a training event, members (and drivers) are agreeing to abide by these processes. Failure for you/driver/responsible adult to comply with these processes will mean you will be asked to leave your training session and will not be allowed to book on any further training.

- ◆ 2 metre social distancing **MUST** be adhered to at all times.
- ◆ Ensure you leave promptly after your session.
- ◆ Instructors only to open/close gates.
- ◆ Riders only to attend. No additional spectators. (under 18s to be accompanied by a responsible adult). Any drivers that are not riders must remain by their vehicle after helping the rider to tackup/mount/untackup etc.
- ◆ Ensure you leave enough distance between vehicles (10m if tying up outside on both sides. 5m if tying up outside on one side)
- ◆ **DO NOT** enter any other part of the venue apart from the arena you are training in and the dedicated parking area.
- ◆ Bring your own water. Do not use the venue's taps.
- ◆ **DO NOT** use the venue's facilities.
- ◆ Bring your own muck bucket & scoop.

We understand that you are all keen to get out again, and we hope you enjoy your training, but please remember.....
